Theodore Roosevelt By Lewis L. Gould

Sportsman. Naturalist. Warrior. President. There are so many sides to Theodore Roosevelt that it is easy to overlook one of his most enduring contributions to American public life: the use of fame to fuel his political career.

In this concisely written, enlightening book, presidential historian Lewis L. Gould goes beyond the "bully pulpit" stereotypes to reveal how Roosevelt used his celebrity to change American politics. Based on research gleaned from the personal papers of Roosevelt and his contemporaries, *Theodore Roosevelt* recaptures its subject's bold activism and irrepressible, larger-than-life personality. Beginning with his privileged childhood in New York City, the narrative traces his election to the New York Assembly, where he quickly rose through the ranks of the Republican Party. It is here that he first applied his shrewd ability to keep himself in the spotlight--a skill that served him well as commander of a volunteer regiment (dubbed "Roosevelt's Rough Riders") in the Spanish-American War. Gould shows how Roosevelt rode a wave of popular acclaim at the war's end, assuming the governorship of New York and serving as president from 1901 to 1909. While covering his major accomplishments as chief executive, including his successes as a trust-buster, labor mediator, and conservationist, Gould explains how fame both sustained and limited Roosevelt when he ran for president in 1912 and opposed Woodrow Wilson's policies during World War I.

Theodore Roosevelt delivers the most insightful look yet at a pioneer of political theater--a man whose vigorous idealism as a champion of democracy serves as a counterpoint to the cynicism of today's political landscape. The book will coincide with the 100th anniversary of Roosevelt's third party run for the Progressive or Bull Moose Party.

Editorial Review

Review

"A sheer and informative profile, satisfying to any general reader wanting an introduction that imparts, as the author promises, a "reliable account of what made Theodore Roosevelt so important in American history." - *Booklist*

"Gould gives readers cradle-to-grave coverage of the man who became our 26th president. He uses the theme of fame as the prism for viewing Roosevelt's life, and this works well, as TR spent his adult life drawing the public eye." -Kevin R. Kosar, *The Weekly Standard*

"This significant biography can be surmised that Roosevelt's life might be divided into three areas: his rise to the White House, the two terms in the White House, which were lively, and achievements in world diplomacy." -*San Francisco Book Review*

"How do you say anything meaningful in a 73-page comprehensive biography of one of the most complex figures in American history? Here's how... Gould's book is a quite worthy addition to the ever-expanding canon on Roosevelt."--*Lawyers, Guns, and Money*

About the Author

Lewis L. Gould is Eugene C. Barker Centennial Professor Emeritus in American History at the University of Texas at Austin. His books include *The Presidency of Theodore Roosevelt* and *The William Howard Taft Presidency*.

Users Review

From reader reviews:

Manuel Coury:

Inside other case, little individuals like to read book Theodore Roosevelt. You can choose the best book if you appreciate reading a book. As long as we know about how is important some sort of book Theodore Roosevelt. You can add information and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can know everything! From your country until eventually foreign or abroad you will find yourself known. About simple matter until wonderful thing you are able to know that. In this era, we can open a book or maybe searching by internet product. It is called e-book. You can use it when you feel uninterested to go to the library. Let's learn.

Chris Barrentine:

As people who live in typically the modest era should be revise about what going on or details even knowledge to make these individuals keep up with the era which can be always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you personally but the problems coming to a person is you don't know what kind you should start with. This Theodore Roosevelt is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Freddie Valdez:

Nowadays reading books are more than want or need but also work as a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge your information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want truly feel happy read one along with theme for entertaining like comic or novel. Often the Theodore Roosevelt is kind of e-book which is giving the reader erratic experience.

Jackie Thompson:

Is it a person who having spare time subsequently spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This Theodore Roosevelt can be the solution, oh how comes? A book you know. You are consequently out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?
