From the Back Cover

You don't have to be the apostle Paul in order to share your faith. Relatively few of us are gifted in the area of evangelism. In fact, many of us have a rather dismal track record when it comes to sharing our faith. And yet, in spite of our evangelistic shortcomings, we want to share Jesus with others. Is there a way we can be involved in sharing the gospel without preaching like the apostle Paul? You may not be a gifted evangelist, but you do have the gift of servanthood. You can use that gift to reach out to your community with the love of God. For years Steve Sjogren has successfully used a simple approach called "servant evangelism" that allows any believer—regardless of gifting—to be involved in sharing God's love with others. One of the great things about this approach is that you don't have to do it alone. Sjogren offers 101 simple and effective ways your church or small group can demonstrate the love of God to those in your community. And when people see the love of God in action, they want to know more about Him. You can share your faith successfully -- here are 101 ways to get started!

About the Author

Steve Sjogren is the Founding Pastor of the Cincinnati Vineyard, a church that grew from five people to 7,500 in weekly attendance with his talent team's leadership. The unique feature of this church was they literally gave up after two years of struggling to achieve 'success' and made a fateful decision - to give everything away! Numbers, attendance - such matrix factors no longer were focused upon. What counted was simply "How many can we serve, love, show generosity to?" It wasn't long before scads of people were showing up.

Steve and Janie have pioneered from scratch either alone or with a team five launch teams around the U.S. and Europe using servant evangelism as a launch approach to loving their cities and redefining God away from a "Come to us" to a "We come, we show you" approach. "Invest, fling seeds, let God take care of the details" has worked well as a motto. Very high percentages of not-yet believers have been drawn to each of their churches, daughter and grand-daughter churches. They now are in Tampa working with teams of planters. Steve writes, coaches and speaks. He aspires to connect with at least five new not yet not-yet believers each day ('Not that difficult once you get the hang of it!' he says.
