**A Short Course in Photography: Digital (3rd Edition)** By Jim Stone, Barbara London

## *Demonstrates basic techniques in digital photography*

Modeled after the widely used *A Short Course in Photography: Film and Darkroom*, the third edition of *A Short Course in Photography: Digital* presents photography entirely in its current, electronic form. This brief title demonstrates greater emphasis on the most up-to-date learning techniques, allowing students to keep up with modern technology. *A Short Course in Photography: Digital* teaches readers to emphasize their choices in picture making by presenting in depth basic techniques of photography. In addition to covering the basic techniques of photography, this title covers the impact of computers on this important art form.

MyArtsLab is an integral part of the London / Stone program. Engaging activities and assessment are part of a teaching and learning system that helps students gain a broader understanding of photography. With MyArtsLab, students can explore in-depth analyses of relevant artwork, architecture, artistic techniques, and more.

---

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may

have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.
