Diggers (Bromeliad Trilogy Book 2) By Terry Pratchett

In a world whose seasons are defined by Christmas sales and Spring Fashions, hundreds of tiny nomes live in the corners and crannies of a human-run department store. They have made their homes beneath the floorboards for generations and no longer remember—or even believe in—life beyond the Store walls.

Until the day a small band of nomes arrives at the Store from the Outside. Led by a young nome named Masklin, the Outsiders carry a mysterious black box (called the Thing), and they deliver devastating news: In twenty-one days, the Store will be destroyed.

Now all the nomes must learn to work together, and they must learn to think—and to think BIG.

Part satire, part parable, and part adventure story par excellence, master storyteller Terry Pratchett's second title in the engaging Bromeliad trilogy traces the nomes' flight and search for safety, a search that leads them to discover their own astonishing origins and takes them beyond their wildest dreams.

Editorial Review

From Publishers Weekly

The Bromeliad trilogy, begun in *Truckers*, continues with this slapstick romp laced with some sharp, satirical barbs. *Diggers* again features the nomes, little people from outer space who have set up housekeeping in an abandoned quarry. But, as nomes often comment, wherever humans have been, they're sure to return, and the quarry is no exception. Soon the nomes are once again scrambling for safety, with hilarious results. While those familiar with *Truckers* are sure to have a ball with *Diggers*, the action will make no sense to the uninitiated. Pratchett may have bitten off more subplots than he can chew here, but he promises to resolve them--including the cliffhanger that ends this volume, in the final installment of the serial. Ages 10-up.

From School Library Journal

Grade 5-8-- This newest addition to what will become the Bromeliad trilogy continues the adventures of a race of miniature creatures called nomes, whose story began in *Truckers* (Delacorte, 1990). The nomes, a Borrower-like folk, have fled from their comfortable homes beneath the floorboards of a large department store after learning that it is about to be demolished. They now live in an old rock quarry where they are at the mercy of humans, wild animals, weather, and changing seasons. The nomes' salvation seems to rest in their ability to take over and drive the Cat, a huge yellow piece of earth-moving equipment, which will take them to the Barn, a place of relative safety. Their efforts to drive the monster fail just as a mysterious "airplane without wings" floats over them. Dorcas, one of the older, wiser nomes, is convinced that this signals the return of their leader Masklin, who has been off exploring. As the story ends, Dorcas is wondering just what Masklin has been up to, and that, obviously, is what readers will find out in the yet-to-be-published part three of the trilogy. While this tale may work well as a sequel, it will not have wide appeal to readers who missed the first installment. Background information is needed to follow the plot, and character development is dependent on prior knowledge of the major players. The tongue-in-cheek humor that pokes fun at the nomes' many foibles and the satirical slant of the fantasy will be lost on many youngsters. Still, for those who read and enjoyed *Truckers*, this will be a welcome continuation of those adventures. --Bruce Anne Shook, Mendenhall Middle School, Greensboro, NC

Review

"Fascinating and funny." (The Horn Book)

"Witty, funny, wise and altogether delightful." (Locus)

"A delicious, rewarding, wry and antic fable."—Harlan Ellison "A rollicking good story." (Kirkus Reviews)

"Terry Pratchett has created a wild adventure, a fable, a fantasy, an elegant satire."—Lloyd Alexander (Lloyd Alexander)

"Pratchett gives his cast plenty of personality and fuels the plot with nonstop comedy." (Kirkus Reviews)

"A wry tongue-in-cheek fantasy...which unhesitatingly lampoons the ingrained habits and complacent attitudes found in any society." (ALA Booklist)
