### Ice Cube: Attitude By Joel McIver

Few pioneers are philosophical, liberal, intelligent and violent all at the same time - but then there is only one Ice Cube. Rapper, actor, industry mogul and entrepreneur, the LA-born gangsta-rap founder has risen from the ranks of NWA - the 'most dangerous band in the world', as those who feared them claimed - to forge a solo career unlike any other. Cube is an outspoken critic of American society and government, and in his earliest, still-shocking hit with NWA (the infamous 'F\*\*k Tha Police') and his many solo hits, the rapper has never been afraid to voice his opinion. It's an unpredictable, epic tale and one which 'Ice Cube: Attitude' explores to the limit.

##### **John Smithers:**

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we

know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Ice Cube: Attitude can make you sense more interested to read.
