

Lexicography: An Introduction

By Howard Jackson

Lexicography: An Introduction By Howard Jackson

This book is an accessible introduction to lexicography – the study of dictionaries.

Dictionaries are used at home and at school, cited in law courts, sermons and parliament, and referred to by crossword addicts and *Scrabble* players alike.

Lexicography provides a detailed overview of the history, types and content of these essential references. Howard Jackson analyzes a wide range of dictionaries, from those for native speakers to thematic dictionaries and those on CD-ROM, to reveal the ways in which dictionaries fulfil their dual function of describing the vocabulary of English and providing a useful and accessible reference resource. Beginning with an introduction to the terms used in lexicology to describe words and vocabulary, and offering summaries and suggestions for further reading, *Lexicography: An Introduction* is highly student-friendly. It is ideal for anyone with an interest in the development and use of dictionaries.

Editorial Review

Review

From words to vocabulary, from vocabulary to dictionaries, from dictionaries to the provision of information about English for native speakers and foreign learners: Howard Jackson's brilliant introduction to lexicography makes us appreciate the fascination and complexity of both dictionary making and research.

–**Reinhard Hartmann, University of Exeter**

About the Author

Howard Jackson is Professor of English Language and Linguistics at the University of Central England, Birmingham.

Users Review

From reader reviews:

Kevin Hamby:

In this period of time globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The fitness of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The particular book that recommended for you is Lexicography: An Introduction this book consist a lot of the information of the condition of this world now. This book was represented how can the world has grown up. The vocabulary styles that writer value to explain it is easy to understand. The actual writer made some research when he makes this book. This is why this book ideal all of you.

Robert Caldwell:

Many people spending their time by playing outside together with friends, fun activity together with family or just watching TV all day long. You can have new activity to shell out your whole day by looking at a book. Ugh, think reading a book can definitely hard because you have to bring the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smartphone. Like Lexicography: An Introduction which is keeping the e-book version. So , try out this book? Let's notice.

Jesus Moreno:

That publication can make you to feel relax. This book Lexicography: An Introduction was colourful and of course has pictures on there. As we know that book Lexicography: An Introduction has many kinds or style. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and believe you are the character on there. So , not at all of book usually are make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading which.

Cory Thomas:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Lexicography: An Introduction can make you truly feel more interested to read.
