

Oxford Handbook of Infectious Diseases and Microbiology (Oxford Medical Handbooks)

By Estee Torok, Ed Moran, Fiona Cooke

Oxford Handbook of Infectious Diseases and Microbiology (Oxford Medical Handbooks) By Estee Torok, Ed Moran, Fiona Cooke

Reflecting the current approach to joint postgraduate training programs in infectious diseases (ID) and microbiology, the *Oxford Handbook of Infectious Diseases and Microbiology* takes an integrated approach to both subjects. It covers the basic principles of bacteriology and virology, along with specific guidance on individual diseases and conditions, all in the accessible *Oxford Handbook* style.

Practical and comprehensive, this handbook includes coverage of National Frameworks and current legislation, together with information on topical issues such as bioterrorism and preventative medicine. Fully reviewed by specialist senior readers and with useful links to up-to-date clinical information and online resources, this is an important addition to the *Oxford Handbook* series.

Editorial Review

Review

The authors have achieved a Herculean task in including so much information in what is still a pocket-sized volume, albeit close to 900 pages, and in a format that is accessible and readable...In terms of value for money and information per cm³, this handbook cannot be beaten. *Journal of Antimicrobial Chemotherapy*

About the Author

Estee Torok trained in Infectious Diseases and Medical Microbiology in Oxford. Prior to this she was a Clinical Research Fellow based at the Oxford University Clinical Research Unit in Vietnam. Her research interests are HIV, tuberculosis, central nervous system infections and the development of diagnostic tests for the developing world. Ed Moran is a registrar in Infectious Disease and General Medicine. He trained in Cambridge, studied for the Diploma in Tropical Medicine in Liverpool and undertook his PhD in Dengue Fever immunology in Oxford and Vietnam. He has worked as a physician in the UK and South Africa, and is currently based at the John Radcliffe Hospital in Oxford. Fiona Cooke trained in Medical Microbiology in London and Cambridge. She completed her PhD at the Wellcome Trust Sanger Institute. Her interests are gastro-intestinal infections, bacterial genomics and the development of molecular tests.

Users Review
