Editorial Review

About the Author

Piotr J. Kula

Piotr J. Kula developed an interest in computers when he was six years old. He was introduced to the world of technology by his father who came from an electronics engineering background. Piotr has lived, studied, and gained experience in three countries. Today, he is a Microsoft Certified Professional and works with reputed companies offering complex software solutions. In his spare time, he enjoys working on electrical engineering projects and also enjoys doing some home improvement projects with his wife.

Users Review
