The Pirate Lord (Lord Trilogy, Book 1) By Sabrina Jeffries, Deborah Martin

A Splendid Opportunity

A shipload of women—theirs for the taking! Pirate captain Gideon Horn couldn't be more delighted. His men are tired of wandering the high seas and want to settle down with wives on the uncharted island paradise they've discovered. And the women are bound to be grateful to be rescued from the life of drudgery awaiting them in New South Wales . . .

Lord, he's so clever!

A Splendid Passion

Married? To *pirates*? Sara Willis couldn't be more appalled. First she demands proper courting—at least a month. The darkly handsome pirate lord gives them two weeks. Then Sara insists the men vacate their huts for the women—Gideon demands her kisses in return. As the demands heat up, so do their passions—and soon Sara can't remember just why she's fighting the devilishly seductive captain so hard. . .

Editorial Review

Review

The *Pirate Lord* begins with a young crusading reformer, Miss Sara Willis, determined to experience first hand the substandard conditions and situations female convicts must face as they are transported to penal colonies in Australia. After several weeks at sea, the ill-fated ship *Chastity* is overtaken by the dreaded ship *Satyr*, vessel of the notorious Pirate Lord Gideon Horn. Gideon and his men are seeking to create their own utopia on an uncharted island and retire from the pirating business for good. All they need to make their island paradise complete is the presence of women, who will become wives to the pirate and his crew. Sara is just as stubborn as Gideon when an idea pops into her mind, and she sees that Gideon is more or less wanting to make her fellow females submit to the desires of his men, no matter that they would be legally wed. As the two leaders of the two factions butt heads on how a peaceful solution to their situation can be reached, they fall in love. Only one problem in their tropical Eden exists, Sara's stepbrother is searching for her and could possibly be the serpent that destroys the fragile paradise Gideon is seeking to build. I very much enjoyed this tale and the sparring that occurs between the two lead characters of this book. There was a wonderful dialogue and parallel love stories amid other secondary characters as well. I thought Ms. Jeffries kept all the love stories well balanced, without causing the reader undue confusion. Though the plot is somewhat predictable, if the reader sits back and just lets the marvelously developed personalities of the characters take over, the reader will not be disappointed in this book. Ms. Jeffries has a rich sense of humor, which is readily apparent in her writing and provides welcome entertainment for a few hours. Thankfully, the reader can expect more from this very talented author. Ms. Jeffries is planning a trilogy, the second of which will be the story of Jordan Willis, Sara's step-brother, in *The Forbidden Lord* to be released in the spring of 1999. Sabrina Jeffries spins a wondrous tale of high spirited individuals, set in fabulous locales, and creates sparkling dialogue which carries the reader away! *The Pirate Lord* is a rich story led by its powerfully charismatic hero and heroine who have the warmth and wit of characters Hepburn and Tracy used to play!

About the Author

At the tender age of twelve, Sabrina Jeffries decided she wanted to be a romance writer. It took her eighteen more years and a boring stint in graduate school before she sold her first book, but now her sexy and humorous historical romances routinely land on the *USA Today* and *New York Times* bestseller lists and have won several awards. She lives in North Carolina with her husband and son, where she writes full-time and is working on her next novel.

Users Review

From reader reviews:

Richard Gary:

Playing with family within a park, coming to see the coastal world or hanging out with buddies is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love *The Pirate Lord (Lord Trilogy, Book 1)*, it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh

come on its mind hangout people. What? Still don't understand it, oh come on its named reading friends.

Brandi Anderson:
