The Voyage of the Sea Wolf (Eve Bunting's Pirate Series) By Eve Bunting

At the end of *The Pirate Captain's Daughter*, Catherine and cabin boy William are marooned on Pox Island by the murderous crew of the pirate ship *Reprisal*. The young lovers see no hope of escape.

In *Voyage of the Sea Wolf*, the continuing saga of Catherine's sea adventures, she and William are rescued from their island prison by the *Sea Wolf*, a pirate ship pursuing the *Reprisal*. Catherine worries that these new pirates will send her back to the island once they discover she's a girl. But then, she meets the captain of the *Sea Wolf*. A woman! Surely, Catherine thinks, the bloodshed and brutality she and William experienced aboard the *Reprisal* can't happen again, especially under the leadership of a female captain.

But just as things seem to be going their way, the captain takes a liking to William. Catherine is forbidden to see him.

If Catherine and William want to stay together, they must find a way to now escape from the *Sea Wolf*.

Amazon.com Review

Q&A with Eve Bunting, Author of *The Voyage of the Sea Wolf*

I'm a writer of books for children and young people... all the way from preschool to young adult. Someone said once that if you love your work it isn't work, and that person was right.

--Eve Bunting

Q: Have you always wanted to be a writer?

A: I have always loved to write. When I was in school, a long time ago, I would offer to do essay homework for my friends just for the fun of it. They thought me a bit crazy but I didn't care.

Q: Why did you write a book about pirates?

A: I have also loved pirates forever, it seems. My father used to read to me and one of our favorite novels was *Treasure Island*. Maybe that was the start of it for me. Writing and pirates! They go so well together!

Q: Did you have to do a lot of research or were you already familiar with the subject?

A: I did quite a lot of research when I was writing *The Voyage of the Sea Wolf* and the pirate book before it, *The Pirate Captain's Daughter*. But I didn't need to go to the library or to the internet to check my remembered facts. I have jillions of pirate books in my own library. When a new pirate book comes out... I have to have it. The needed research was there on my shelves. And I had an excuse to read all those beloved stories over again!

Q: Why did you decide to make it a series?

A: Actually, when I had completed *The Pirate Captain's Daughter* my editor at Sleeping Bear Press asked me if I would like to do a sequel. "YES!" I said. And pretty soon I am going to be doing an Alphabet Book for Sleeping Bear Press as well. Can you guess what that Alphabet Book will be about? You guessed right: pirates, from A to Z.

Q: What advice would you give a young writer?

A: If you want to be a writer I would suggest you read a lot, especially about something that really interests you. Then, think about what you could write on that subject. Try to be different. Let your enthusiasm shine through. Be excited. Have fun. I do!

From School Library Journal

Gr 5-7-Marooned on an island in *The Pirate Captain's Daughter* (Sleeping Bear, 2011), Catherine and

William are rescued by the pirate crew of the Sea Wolf at the start of this story. The two lovers vow to stay together, but they are not prepared for what awaits them. Catherine is surprised to discover that the ship's captain is a woman, and even more surprised that she takes a liking to William. When she finds out that the previously disguised Catherine is a girl, Captain Medb Moriarty forbids the two to have any contact, and locks Catherine in her quarters with her at night. Moriarty has her sights set on plundering two other pirate ships-Catherine's former ship The Reprisal and the bountiful Isabella-and she intends to make William her partner. Catherine is desperate to escape with William, but she fears that he's having second thoughts about his feelings for her. She spends her days mending sails alongside the friendly dwarf Sebastian, pining for William and thwarting the unwanted advances of lecherous Magruder. Catherine finally finds her strength when the Sea Wolf comes upon the beached-and presumably abandoned-Isabella and she must rescue William after a bloody surprise attack. A quick read for fans of pirate tales.-Wendy M. Scalfaro, G. Ray Bodley High School, Fulton, NYα(c) Copyright 2011. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc.
