Editorial Review

From the Back Cover

Wiley is the leading global publisher of trading books. With critically acclaimed and best-selling titles written by some of the world's top traders, our books provide all the information a trader needs to survive and prosper in any market.

With the first volume of *The Wiley Trading Guide* we brought together some of the finest traders in the world for the first time. Following the success of this book, we've done it again. *The Wiley Trading Guide Volume II* brings together 17 of the most skilled and experienced traders in the world, to share their expert knowledge over a wide range of topics. The combined wisdom in this volume will set readers on the path to sustained profitability and trading success.

In all markets, traders require expert knowledge and guidance from those who have been there before and succeeded. This volume covers creating a trading plan, listening to—and acting on—what the market is telling you, refining your entry and exit techniques, taking your lead from company directors, profiting in the oil and silver markets, automating your trading, increasing profits through good position sizing, and much more. This authoritative guide will help you take your trading to the next level.
