17 & Gone By Nova Ren Suma

Seventeen-year-old Lauren is having visions of girls who have gone missing. And all these girls have just one thing in common—they are 17 and gone without a trace. As Lauren struggles to shake these visions, impossible questions demand urgent answers: Why are the girls speaking to Lauren? How can she help them? And . . . is she next? Through Lauren's search for clues, things begin to unravel, and when a brush with death lands Lauren in the hospital, a shocking truth changes everything.

With complexity and richness, Nova Ren Suma serves up a beautifully visual, fresh interpretation of what it means to be lost.

Editorial Review

From School Library Journal

Gr 8 Up-When 17-year-old Lauren glimpses a "MISSING" poster for Abigail Sinclair on a telephone pole, she runs through traffic to remove it. Mesmerized, she reads it as she returns to her van, and when she looks in the rearview mirror, she sees Abby looking back, disheveled, dirty, and wearing her "last seen wearing" outfit. In the coming days and weeks, Abby is joined by other missing girls, all the same age, who disappeared and whose families have stopped looking for them. Lauren becomes obsessed with the missing, but mostly with Abby, whom she believes is the only one she can actually save. But as she delves further into the lives of these girls, she becomes more and more detached from her own reality. Suma's novel subtly explores one teen's descent into schizophrenia. Lauren's first visions of the missing teens are realistic, though paranormal, but as the story progresses, readers begin to wonder about the authenticity of the hallucinations. Lauren is the pivotal character and the only one truly and fully developed, but rather than weakening the story this enables readers to live exclusively in her version of events. Mature without being graphic, with a complex and intriguing plot, this novel should have no trouble finding readers.-Heather E. Miller Cover, Homewood Public Library, ALA(c) Copyright 2011. From [Booklist](#)

In her latest title, Suma takes the typical YA theme of a young girl who discovers semimagical powers and turns it on its head. When her van stalls while driving to school, Lauren notices a poster of a missing girl, Abby. Gradually Lauren begins to feel haunted by Abby and other girls, all age 17, who have gone missing, and she determines to find out what happened to them. Hints are dropped along the way that the narrator, Lauren, may not be reliable, and it soon becomes apparent that Lauren sees the girls not through some mystical power; they are, instead, figments of her imagination and signs of early-onset schizophrenia. Suma expertly paces Lauren's unraveling mental state and her increasing anxiety over what is happening to her, while the supporting characters of Lauren's boyfriend and mom are well drawn and believable in their struggle to help Lauren. A compelling, skillfully written page-turner. Grades 9-12. --Eve Gaus

Review

Praise for *17 & Gone*:

"This is ingeniously crafted."

—[BCCB](#), starred review

"Suma writes beautifully, drawing readers into Lauren's story and her psyche with painstaking care until the story's jolting conclusion."

—[Publisher's Weekly](#)

"A compelling, skillfully written page-turner."

—[Booklist](#)

"An engrossing read."

—[VOYA](#)

"Suma's exquisite sentence-level writing and fine eye for creepy detail are in abundant evidence."

—[Kirkus Reviews](#)

“Elegant, riveting, powerful, and poignant, this suspenseful, supernatural tale slips under the skin, inking out a haunting tapestry of menace and madness. Nova Ren Suma is, quite simply, a masterful storyteller and one of my favorite writers.”

—Libba Bray, Printz Award winner and New York Times bestselling author of The Diviners and A Great and Terrible Beauty

“17 & Gone is a sharply compelling story of what happens when we stop seeing what’s in front of us and start looking for what’s already gone. Intricately plotted and surreally imagined... Suma breaks reality and twists it back together in a devastating and beautiful new form.”

—Kiersten White, New York Times bestselling author of Paranormalcy and Mind Games
