Editorial Review

From Publishers Weekly

Horror old-timer Blatty (*The Exorcist*) takes a new route down an old road in this disorienting tale. Realtor Joan Freeboard, trying to dispel the title mansion's creepy reputation, arranges for a psychic, a parapsychologist and a noted author to move into Elsewhere with her and declare it ghost-free. Isolated by a storm from civilization, they become absorbed by the house and its growing sense of strangeness; exploring its secrets exposes their own. Ultimately, Elsewhere forces them to accept the individual realities that they have created for themselves. Blatty neatly entwines the twin branches of psychological and supernatural horror, and save for a late scene of violence, the work is more life-affirming than shocking. Includes otherworldly b&w illus by Alex McVey. (Mar.)

Review

"...a witty ghost story of Jamesian complexity." -- *The Boston Herald*

"...an eerie new novel by William Peter Blatty." -- *Library Journal*

"...may be the first truly original haunted house story in decades." -- *Denver Rocky Mountain News*

"Innovatively constructed and skillfully written, the short novel is witty, scary, touching and thought-provoking." -- *Chicago Tribune*

"William Peter Blatty's excellent haunted house/ghost story, Elsewhere, certainly brings into question Stephen King's recent assertion... that the traditional ghost story is dead. It's Topper-like ending even injects an appropriate dash of humour." -- *Michael Revel Reviews*

About the Author

William Peter Blatty is the author of *The Exorcist*, *The Ninth Configuration*, *Legion*, and many other books and numerous screenplays.

Users Review

From reader reviews:

Mollie Walker:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each book has different aim as well as goal; it means that e-book has different type. Some people feel enjoy to spend their a chance to read a book. They are really reading whatever they have because their hobby is definitely reading a book. What about the person who don't like looking at a book? Sometime, man or woman feel need book whenever they found difficult problem or exercise. Well, probably you will require this Elsewhere.

Michael Thompson:

Is it a person who having spare time subsequently spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Elsewhere can be the response, oh how comes? A fresh book you know. You are consequently out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

Paul Frazier:

As we know that book is vital thing to add our know-how for everything. By a reserve we can know everything we really wish for. A book is a pair of written, printed, illustrated or even blank sheet. Every year had been exactly added. This publication Elsewhere was filled concerning science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading some sort of book. If you know how big selling point of a book, you can sense enjoy to read a publication. In the modern era like right now, many ways to get book that you simply wanted.

Anthony Koch:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is prepared or printed or illustrated from each source that will filled update of news. Within this modern era like at this point, many ways to get information are available for a person. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just searching for the Elsewhere when you necessary it?
