Italian Education By Tim Parks

Tim Parks' first bestseller, *Italian Neighbors*, chronicled his initiation into Italian society and cultural life. Reviewers everywhere hailed it as a bravissimo performance. Now he turns to his children -- born and bred in Italy -- and their milieu in a small village near Verona.

With the splendid eye for detail, character, and intrigue that has brought him acclaim as a novelist, he creates a fascinating portrait of Italian family life, at school, at home, in church, and in the countryside. This panoramic journey winds up with a deliciously seductive evocation of an Italian beach holiday that epitomizes everything that is quintessentially Italian. Here is an insider's Italy, re-created by "one of the most gifted writers of his generation" (Jonathan Yardley, *The Washington Post*)

Editorial Review

From Publishers Weekly

In *Italian Neighbors*, British-born Parks gave a wry portrait of his adopted Italy, where he lives with his native-born wife Rita in a village outside Verona. This engaging sequel is an affectionate family album focusing on the experience of raising their son, Michele, and daughter, Stefania, combined with general observations on childrearing practices in Italy. Parks believes the typical Italian child is born into a tight social matrix of caution, inhibition and a suffocating awareness of everything that can go wrong. For Italians, "pregnancy is, inescapably, a pathology," and the intense mother-child relationship, suffused with eroticism, often produces young men with "an extraordinarily inflated, mother-fed opinion of themselves." Beyond parenting, Parks serves up pungent cultural commentary. His Italy is a paradox, where an ancient mentality steeped in peasant Catholic traditions coexists with a hedonistic society that eagerly embraces all things modern. Parks's wit, eye for telling incident and sensuous prose make this a captivating family portrait. Copyright 1995 Reed Business Information, Inc.

From [Booklist](#)

When expatriate novelist Parks wrote about living in Italy in *Italian Neighbors* (1992), he focused on the process of acclimation and his often tricky relationships with adults. Now, in another charming and fluidly composed volume of keen observations, amusing anecdotes, and creative musings, he considers the "world of children," especially of his own inventively bilingual son and daughter, who, Parks must concede, will grow up thoroughly Italian in spite of being half English. Childhood in Italy is a fecund topic for Parks, a perfect conduit for analyzing all the quirks of Italian society. As Parks attempts to define what exactly makes Italians Italian, he discusses everything from bureaucracy to lullabies, attitudes toward pregnancy and large families, food preferences, the worship of conformity, the "mama mystique," typical vacations, adultery, school events, and textbooks. Thus the concept of "Italian education" works on two levels. While Parks is describing how Italians teach each other to be Italian, he's also teaching us outsiders all about their richly textured culture. This is an intelligent and sunny book, glimmering with all the contradictions and joys of daily life. *Donna Seaman*

About the Author

Tim Parks is the author of seven novels: *Loving Roger*, *Home Thoughts*, *Tongues of Flame*, *Family Planning*, *Goodness*, *Juggling the Stars*, and *Shear*. He has won international acclaim for his work, including the Somerset Maugham, John Llewellyn Rhys, and Betty Trask awards. Born in Manchester, England, he studied English literature at Cambridge University and Harvard. In addition to his own award-winning books, Parks has translated the works of Moravia, Calvino, and Calasso. He lives just outside Verona, Italy, where he teaches English at the University Of Verona.

Users Review

From reader reviews:

Stephen Hilton:

Nowadays reading books be a little more than want or need but also get a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The details you get based on what kind of

reserve you read, if you want attract knowledge just go with education and learning books but if you want sense happy read one together with theme for entertaining like comic or novel. The actual Italian Education is kind of e-book which is giving the reader unforeseen experience.

Jennifer Nava:

Reading a reserve can be one of a lot of exercise that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new data. When you read a book you will get new information due to the fact book is one of numerous ways to share the information or their idea. Second, examining a book will make you actually more imaginative. When you reading a book especially fictional book the author will bring you to imagine the story how the people do it anything. Third, you could share your knowledge to other individuals. When you read this Italian Education, it is possible to tells your family, friends along with soon about yours publication. Your knowledge can inspire the mediocre, make them reading a guide.

Rebecca Stark:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them friends and family or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or playing video games all day long. If you wish to try to find a new activity this is look different you can read a new book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent 24 hours a day to reading a publication. The book Italian Education it is rather good to read. There are a lot of individuals who recommended this book. They were enjoying reading this book. When you did not have enough space to create this book you can buy the e-book. You can m0ore easily to read this book from your smart phone. The price is not very costly but this book has high quality.

Kaye Hensley:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This Italian Education can be the reply, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these books have than the others?
