### Organizing Successful Tournaments - 3rd Edition By John Byl

If you have ever looked for a collection of great schedules and brackets that can be easily tailored to your events, then look no further—*Organizing Successful Tournaments* is the one resource that will put an end to your search!

Whether you are running a three-team league, a huge tournament, or anything in between, the most competitive and fair schedule or bracket is at your fingertips in this comprehensive package. More than 1,000 Microsoft Word templates provide the framework for virtually any tournament format and are programmed to automatically create draw sheets for competitions based on your input of divisions, seeds, locations, dates, and times.

Every major type of competition—single elimination, double elimination, multilevel, round robin, ladder, pyramid, and level rotation—is thoroughly explained to help you determine the type that best suits your needs. You'll also find information on assigning seeds, awarding byes, and establishing proper tiebreaking procedures. With *Organizing Successful Tournaments*, you will enjoy the event as much as the competitors will.
