Perspectives on Personality (7th Edition) By Charles S. Carver, Michael F. Scheier

Informative, yet engaging — viewpoints of personality psychologists today

Written in an informal, conversational style, Carver and Scheier engage students by helping them understand how various perspectives of the field of personality can apply to their own lives.

This book describes a range of viewpoints that are used by personality psychologists today. Each perspective on personality is presented in a pair of chapters, introduced by a prologue that provides an overview of that perspective's orienting assumptions and core themes. By starting with these orienting assumptions, you'll be placed right inside the thought processes of the theorists, as you go on to read the chapters themselves. Each chapter concludes with a discussion of current problems within that theoretical viewpoint and the authors' analysis about its future prospects. The result is a book that is engaging and enjoyable as well as informative.

Learning Goals

Upon completing this book, readers should be able to:

- Identify the ideas that form each theoretical viewpoint
- Understand the importance of research and why the role of research stresses the fact that personality psychology is a living, dynamic process of ongoing scientific exploration
- See how each perspective reflects fundamental assumptions about human nature and how behavior problems can arise and be treated from each perspective
- Understand how the different viewpoints relate to each other and the usefulness of blending theoretical viewpoints, treating theories as complementary, rather than competing

Editorial Review

Users Review

From reader reviews:

Jonathan Scott:

What do you about book? It is not important together with you? Or just adding material when you really need something to explain what you problem? How about your free time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? All people has many questions above. They should answer that question due to the fact just their can do this. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this kind of Perspectives on Personality (7th Edition) to read.

Melanie Pemberton:

In this era globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You will observe that now, a lot of publisher which print many kinds of book. The particular book that recommended to you personally is Perspectives on Personality (7th Edition) this guide consist a lot of the information of the condition of this world now. This specific book was represented how do the world has grown up. The terminology styles that writer use for explain it is easy to understand. Typically the writer made some analysis when he makes this book. That is why this book suitable all of you.

Angel Sutton:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Perspectives on Personality (7th Edition) can make you truly feel more interested to read.

Tammie Torres:

Many people said that they feel weary when they reading a reserve. They are directly felt the item when they

get a half regions of the book. You can choose the actual book Perspectives on Personality (7th Edition) to make your reading is interesting. Your own skill of reading talent is developing when you like reading. Try to choose basic book to make you enjoy you just read it and mingle the opinion about book and examining especially. It is to be first opinion for you to like to open a book and read it. Beside that the guide Perspectives on Personality (7th Edition) can to be a newly purchased friend when you're truly feel alone and confuse in what must you're doing of these time.
