Principles of Financial Accounting By Belverd E. Needles

Needles and Powers continue to help instructors stay on top of the change curve with *Principles of Financial Accounting*. Balanced, flexible content in this market-leading text is supported by an array of integrated print and technology supplements. Whether an instructor wants to present a user or procedural orientation, incorporate new instructional strategies, develop students' core skills and competencies, or integrate technology into the classroom, *Principles of Financial Accounting* provides a total solution, making it the natural choice for accounting instructors. The Tenth Edition focuses primarily on the use of accounting information in today's business world--beginning with sole proprietorships--and represents the most significant revision of the text to date. Content updates reflect current accounting and business practices, while greater attention is given to ethics, service enterprises, and international issues. In addition, the text features a more concise, accessible writing style; a new design to emphasize the user-oriented content; and enhanced technology components for both instructors and students. Accuracy reviewers check every line and work through each exercise in the text and supplements, making *Principles of Financial Accounting* the most accurate among similar texts on the market.

Editorial Review

About the Author

Belverd E. Needles, Jr., received his BBA and MBA degrees from Texas Tech University and his PhD degree from the University of Illinois at Urbana-Champaign. He teaches financial accounting, managerial accounting, and auditing at DePaul University, where he is an internationally recognized expert in international accounting and education. He has published in leading journals and is the author or editor of more than 20 books and monographs. His current research relates to international financial reporting, performance measurement, and corporate governance of high-performance companies in the United States, Europe, India, and Australia. His textbooks are used throughout the world and have received many awards, including (in 2008) the McGuffey Award from the Text and Academic Authors Association. Active in many academic and professional organizations, he is immediate past vice president-education of the American Accounting Association. He received the Distinguished Alumni Award from Texas Tech University, the Illinois CPA Society Outstanding Educator Award and its Life-Time Achievement Award, the Joseph A. Silviso Faculty Award of Merit from the Federation of Schools of Accountancy, the Ledger & Quill Award of Merit, and the Ledger & Quill Teaching Excellence Award. He was named Educator of the Year by the American Institute of CPAs, Accountant of the Year for Education by the national honorary society Beta Alpha Psi, and Outstanding International Accounting Educator by the American Accounting Association. He received the Excellence in Teaching Award from DePaul University.

Marian Powers received her B.S. degree from Chicago State University and her Ph.D. degree from University of Illinois at Urbana-Champaign. In addition to the Kellogg School of Management at Northwestern University, she has taught financial accounting at the University of Illinois, Chicago, and at the Lake Forest Graduate School of Management. Internationally recognized as a dynamic teacher in executive education, she specializes in teaching nonfinancial managers how to read and understand internal and external financial reports, including the impact of international financial reporting standards (IFRS). Her current research relates to international financial reporting, performance measurement, and corporate governance of high-performance companies in the United States, Europe, India, and Australia. Her research has been published in leading journals. Her textbooks, coauthored with Belverd E. Needles, Jr., are used throughout the world and have received many awards, including the Textbook Excellence Award and the McGuffey Award from the Text and Academic Authors Association. She has also coauthored three interactive multimedia software products. She currently serves on the Board of the CPA Endowment Fund of Illinois and is immediate past-chair of the Board of Governors of the Winnetka Community House. She is a member of International Association of Accounting Education and Research, and Illinois CPA Society. She has served on the Board of Directors of the Illinois CPA Society, the Educational Foundation of Women in Accounting, and both the national as well as Chicago chapters of ASWA.

Users Review
