Romantic Presences in the Twentieth Century (Nineteenth Century) From Brand: Ashgate Pub Co

Concerned with the intermingled thematic and formal preoccupations of Romantic thought and literary practice in works by twentieth-century British, Irish, and American artists, this collection examines the complicated legacy of Romanticism in twentieth-century novels, poetry, and film. Even as key twentieth-century cultural movements have tried to subvert or debunk Romantic narratives of redemptive nature, individualism, perfectibility, and the transcendence of art, the forms and modes of feeling associated with the Romantic period continue to exert a signal influence on the modern moment - both as a source of tension and as creative stimulus. As the essays here show, the exact meaning of the Romantic bequest may be bitterly contested, but it has been difficult to leave behind. The contributors take up a wide range of authors, including Virginia Woolf, F. Scott Fitzgerald, W. H. Auden, Doris Lessing, Seamus Heaney, Hart Crane, William Faulkner, Don DeLillo, and Jonathan Franzen. What emerges from this lively volume is a fuller picture of the persistence and variety of the Romantic period's influence on the twentieth-century.

Editorial Review

Review

'The recovery of formalism within Romantic Studies over the past six or seven years has meant a return to literary form and its transmission over time. This volume promises to revitalize the debate about how Romanticism helped make Modernism, and about why Modernism continues to deny its inheritance. This is the time for it.' Anne Janowitz, Queen Mary, University of London, UK '... the volume is pleasingly presented, and includes a bibliography that will be of value to scholars embarking on the exploration of this intriguing area of study.' The Wordsworth Circle '[T]he essays collected here justifies the title by drilling deeper and considering the specific formal approaches to figuring the temporally fragmented self that is Romanticism's key legacy to twentieth-century Modernism ... The diversity and sophistication of these accounts of Romanticism's legacy are richly illuminating of both of its sources and inheritors ...'

About the Author

Mark Sandy is Senior Lecturer in English Studies at Durham University, UK.

Users Review

From reader reviews:

Jose Callender:

What do you about book? It is not important together with you? Or just adding material when you need something to explain what you problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They have to answer that question because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need this specific Romantic Presences in the Twentieth Century (Nineteenth Century) to read.

Daniel Slater:

Nowadays reading books become more than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The info you get based on what kind of reserve you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one using theme for entertaining for example comic or novel. The actual Romantic Presences in the Twentieth Century (Nineteenth Century) is kind of reserve which is giving the reader unforeseen experience.

Jeffrey Ramsey:

On this era which is the greater man or who has ability in doing something more are more treasured than

other. Do you want to become one of it? It is just simple way to have that. What you should do is just spending your time almost no but quite enough to experience a look at some books. Among the books in the top checklist in your reading list is Romantic Presences in the Twentieth Century (Nineteenth Century). This book which can be qualified as The Hungry Inclines can get you closer in getting precious person. By looking up and review this book you can get many advantages.

Dale Vaught:

Do you like reading a book? Confuse to looking for your selected book? Or your book was rare? Why so many concern for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading through, not only science book and also novel and Romantic Presences in the Twentieth Century (Nineteenth Century) as well as others sources were given information for you. After you know how the great a book, you feel desire to read more and more. Science book was created for teacher or perhaps students especially. Those ebooks are helping them to increase their knowledge. In other case, beside science publication, any other book likes Romantic Presences in the Twentieth Century (Nineteenth Century) to make your spare time considerably more colorful. Many types of book like this.
