Editorial Review

Amazon.com Review

Before Woody Allen set his sights on becoming the next Ingmar Bergman, he made a fleeting (but largely successful) attempt at becoming the next S.J Perelman. *Side Effects*, his third and final collection of humor pieces, shows his efforts. These essays appeared in *The New Yorker* during the late 1970s, as he showed more and more discontent with his funnyman status. Fear not, humor fans--Allen's still funny. He is less manic, however, than in his positively goofy *Getting Even/Without Feathers* days, and this makes *Side Effects* a more nuanced read. Woody picks and chooses when to flash the laughs, as in an article discussing UFOs:

[I]n 1822 Goethe himself notes a strange celestial phenomenon. "En route home from the Leipzig Anxiety Festival," he wrote, "I was crossing a meadow, when I chanced to look up and saw several fiery red balls suddenly appear in the southern sky. They descended at a great rate of speed and began chasing me. I screamed that I was a genius and consequently could not run very fast, but my words were wasted. I became enraged and shouted imprecations at them, whereupon they flew away frightened. I related this story to Beethoven, not realizing he had already gone deaf, and he smiled and nodded and said, "Right."

Though not as explosively, mind-alteringly funny as his earlier books, *Side Effects* is still loaded with chuckles; the much-anthologized "Kugelmass Episode" is worth the price of the book. For fans of his films--or for anyone who wants a final glimpse of Woody in his first, best role as court jester, *Side Effects* is a must-have. --*Michael Gerber*

From the Inside Flap

A humor classic by one of the funniest writers today, *SIDE EFFECTS* is a treat for all those who know his work and those just discovering how gifted he is. Included here are such classics as *REMEMBERING NEEDLEMAN*, *THE KUGELMASS EPISODE*, a new sory called *CONFESSIONS OF A BUGLAR*, and more.

Users Review

From reader reviews:

David Ramos:

Why don't make it to be your habit? Right now, try to ready your time to do the important behave, like looking for your favorite publication and reading a reserve. It means that it can to become your friend when you experience alone and beside regarding course make you smarter than before. Yeah, it is very fortunated for you. The book makes you much more confidence because you can know everything by the book. So , let us make new experience and knowledge with this book.

Guadalupe Leatherman:

Have you spare time for just a day? What do you do when you have much more or little spare time? That's

why, you can choose the suitable activity for spend your time. Any person spent their very own spare time to take a move, shopping, or went to often the Mall. How about open as well as read a book allowed Side effects? Maybe it is to get best activity for you. You recognize beside you can spend your time along with your favorite's book, you can better than before. Do you agree with their opinion or you have other opinion?

Michael Jones:

This Side effects is great guide for you because the content that is full of information for you who always deal with world and possess to make decision every minute. That book reveal it details accurately using great plan word or we can declare no rambling sentences inside it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having Side effects in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no e-book that offer you world throughout ten or fifteen second right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. busy do you still doubt that will?

Gerard Norman:

This Side effects is completely new way for you who has curiosity to look for some information as it relief your hunger details. Getting deeper you into it getting knowledge more you know otherwise you who still having little digest in reading this Side effects can be the light food for you because the information inside this kind of book is easy to get by anyone. These books build itself in the form which is reachable by anyone, yeah I mean in the e-book type. People who think that in e-book form make them feel sleepy even dizzy this guide is the answer. So there is not any in reading a publication especially this one. You can find actually looking for. It should be here for you. So , don't miss that! Just read this e-book kind for your better life and also knowledge.
