Flow My Tears, the Policeman Said By Philip K. Dick

"Dick skillfully explores the psychological ramifications of this nightmare."—*The New York Times Review of Books*

Flow My Tears, the Policeman Said grapples with many of the themes Philip K. Dick is best known for— identity, altered reality, drug use, and dystopia—in a rollicking chase story that earned the novel the John W. Campbell Award and nominations for the Hugo and Nebula.

Jason Taverner—world-famous talk show host and man-about-town—wakes up one day to find that no one knows who he is—including the vast databases of the totalitarian government. And in a society where lack of identification is a crime, Taverner has no choice but to go on the run with a host of shady characters, including crooked cops and dealers of alien drugs. But do they know more than they are letting on? And just how can a person's identity be erased overnight?

Editorial Review

From Publishers Weekly

A TV celebrity of the near future suddenly finds that he has no identity in this SF variation on the amnesia novel, which suffers from an inadequate ending. Vintage also releases, for \$10 each, Dick's *Now Wait for Last Year* (*-74220-4), about a doctor who is treating the world's most important and sickest man, and *The World Jones Made* (*-74219-0), about a fanatic clairvoyant.

Review

"Dick [was] many authors: a poor man's Pynchon, an oracular postmodern, a rich product of the changing counterculture" Village Voice

From the Inside Flap

>On October 11 the television star Jason Taverner is so famous that 30 million viewers eagerly watch his prime-time show. On October 12 Jason Taverner is not a has-been but a never-was -- a man who has lost not only his audience but all proof of his existence. And in the claustrophobic betrayal state of *Flow My Tears, the Policeman Said*, loss of proof is synonyms with loss of life.

Taverner races to solve the riddle of his disappearance", immerses us in a horribly plausible Philip K. Dick United States in which everyone -- from a waiflike forger of identity cards to a surgically altered pleasure -- informs on everyone else, a world in which omniscient police have something to hide. His bleakly beautiful novel bores into the deepest bedrock self and plants a stick of dynamite at its center.

Users Review

From reader reviews:

Terry Tyrrell:

The ability that you get from *Flow My Tears, the Policeman Said* is the more deep you rooting the information that hide into the words the more you get serious about reading it. It doesn't mean that this book is hard to know but *Flow My Tears, the Policeman Said* giving you buzz feeling of reading.
