### My Lea (A Broken Love Story) (Volume 1) By E. Mellyberry

When Lea Amelia landed her feet in San Francisco for her overseas study, her idea of freedom was simple, like eating junk food ten times a day, sitting in front of the TV in her PJs, or going out late with her friends without the need to check in with her mother constantly. Then she met Andrew Jaya, her brothers' best friend. A twenty-two-year-old guy whose physical appearance looked like he was crafted straight from God's heavenly hands, but possessed a past as bleak as if it was drawn by Evil himself. A conflicted guy who wore sadness like nobody's business beneath his mask, a perfect-looking mask she slowly peeled away. He was also the guy who hurt her. Suddenly, everything about her was no longer simple. Andrew Jaya had convinced himself that not feeling was good for him. He'd been doing it splendidly for almost his entire life. But that was before his best friend's sister stepped into his life and ruined it. After weeks of knowing Lea, all of those warm and wonderful feelings he'd long ago denied to himself started to reappear. Problem was, the brighter the light, the bigger the shadows that came with it. His traumatic past refused to let him go. When the unthinkable happened, the easiest thing to do was to run. But life often proves that the easiest way is usually the hardest.

Melly has been writing stories for as long as she can remember, but not until 2011 did she publish her works. She has written eight children's books under the name mellyberry, and full-length novels under e.mellyberry. She used to work in a school and is very passionate about education. She loves reading all kinds of books in her spare time, as long as they're not horror or sci-fi. Melly was born in Indonesia and grew up in a multi-language environment. When she talks to people, she could accidentally string words from different languages into one sentence. When she does that, simply reminds her to speak properly. Her ideal vacation always involves a beach; usually it's Nusa Dua, Bali. She spent a few years in USA to complete her Master degree. It was during that time that she'd fallen madly in love with San Francisco and the Bay Area.
