### The Three Ecologies (Impacts) By Felix Guattari

Extending the definition of ecology to encompass social relations and human subjectivity as well as environmental concerns, *The Three Ecologies* argues that the ecological crises that threaten our planet are the direct result of the expansion of a new form of capitalism and that a new ecosophical approach must be found which respects the differences between all living systems.

**This edition includes a chronology of Guattari's life and work, introductions to both his general philosophy and to the work itself, and extended notes to the original text.**

### Editorial Review

#### Review

"The Three Ecologies pulls into a concise, passionate weave the manifold lines of thought explored by one of the Twentieth Century's most exuberantly inventive minds. Near the end of his life, at the height of his powers, Guattari finds a new synthesis in "Ecosophy". The Three Ecologies is the single best introduction to Guattari's unique blend of activist politics and speculative politics.' Brian Massumi"

#### Language Notes

Text: English (translation)

Original Language: French

#### About the Author

Felix Guattari (1930-1992) was a French psychoanalyst, philosopher, social theorist and radical activist. He is best known for his collaborative work with Gilles Deleuze.

### Users Review

#### From reader reviews:

##### **Randall James:**

The book *The Three Ecologies (Impacts)* can give more knowledge and information about everything you want. Why must we leave the good thing like a book *The Three Ecologies (Impacts)*? Wide variety you have a different opinion about reserve. But one aim in which book can give many information for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or details that you take for that, you can give for each other; it is possible to share all of these. Book *The Three Ecologies (Impacts)* has simple shape but the truth is know: it has great and large function for you. You can appear the enormous world by open and read a book. So it is very wonderful.

##### **Roger Alford:**
