Flight of the Nighthawks: Book One of the Darkwar Saga By Raymond E. Feist

A portent of annihilation awakens the powerful sorcerer Pug in the dead of night—a dread vision warning of a vast and terrible army descending upon the exposed heart of Midkemia. Even the formidable might of the Tsurani Empire will not beat back the alien invaders. And in far Stardock town, two boys—untrained, unready, and barely come of age—will be called upon by the mysterious Conclave of Shadows to confront a sinister plot that implicates even the highest-ranking nobles in the land. For a nightmare of treason, intrigue, and murder is brewing among an ancient Brotherhood of Death—a clan of merciless assassins whose name is spoken only in fearful whispers . . .

Editorial Review

From Publishers Weekly

This first of a new fantasy trilogy from bestseller Feist (*Exile's Return*) reintroduces a now ancient but well-preserved Pug (the juvenile hero of *Magician*) plus numerous generic situations, not the least of which is the return of Pug's old nemesis, the evil wizard Sidi, and a further menace that threatens the land of Midkemia. All the characters talk in completely 21st-century vocabulary, and while some of the inhabitants of the imaginary setting have unusual names suggestive of alien language and culture, we also meet folks named Miranda, Tomas, Magnus, Caleb and Zane. The result does not add up to any sense of a real, other place like Middle Earth or Earthsea, in which mythic events might plausibly occur. Those looking for the numinous wonder of Tolkien or the beautiful language of Ursula Le Guin will have to look elsewhere, but readers seeking to move one step up from adventure-gaming tie-in novels will find this a good starting place. Feist expands the *uber*-saga of Midkemia again with a new trilogy, The Darkwar Saga. In it eventual arch-mage Pug (see *Exile's Return*, 2005) is much younger, his vast powers are still forming, and he hasn't yet acquired the array of family ties that will make him so wonderfully human later on. Right now he is trying to contend with evil sorcery and win the tolerance, if not allegiance, of the emperor. Reinforcing him are two fugitive farm boys, Tad and Zane, and their mentor, Caleb, whose aid proves invaluable as all three youngsters mature, the farm boys with the additional help of another mage's daughters. The boys' growth entails some of Feist's most notable feats of characterization, feats that testify to the substantial improvement he has made as a writer during a career now approaching the 20-year mark. He leaves us curious, even eager, to see what the succeeding two books will reveal about Midkemia's history and what parts Tad and Zane play in it, though perhaps under new and different names. *Roland Green*

Review

“A promising start to what looks like a strong, dire trilogy of fantastic adventure.”

Users Review

From reader reviews:

Anthony Sierra:

It is possible to spend your free time to see this book this publication. This Flight of the Nighthawks: Book One of the Darkwar Saga is simple to deliver you can read it in the area, in the beach, train and also soon. If you did not include much space to bring often the printed book, you can buy often the e-book. It is make you simpler to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Betty Terry:

In this particular era which is the greater individual or who has ability to do something more are more special

than other. Do you want to become certainly one of it? It is just simple way to have that. What you are related is just spending your time not much but quite enough to enjoy a look at some books. On the list of books in the top collection in your reading list is definitely Flight of the Nighthawks: Book One of the Darkwar Saga. This book that is qualified as The Hungry Mountains can get you closer in turning into precious person. By looking upward and review this e-book you can get many advantages.

Maria Forshee:

Do you like reading a book? Confuse to looking for your best book? Or your book has been rare? Why so many query for the book? But almost any people feel that they enjoy to get reading. Some people likes examining, not only science book but novel and Flight of the Nighthawks: Book One of the Darkwar Saga as well as others sources were given information for you. After you know how the good a book, you feel would like to read more and more. Science publication was created for teacher or maybe students especially. Those ebooks are helping them to increase their knowledge. In other case, beside science guide, any other book likes Flight of the Nighthawks: Book One of the Darkwar Saga to make your spare time much more colorful. Many types of book like this.

Kyle Smallwood:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Flight of the Nighthawks: Book One of the Darkwar Saga can make you really feel more interested to read.
