Images of Deviance and Social Control: A Sociological History By Stephen Pfohl

Criminals. Witches. Rebels. Outsiders. Lunatics. Regardless of label, these groups stand outside the common sense of society and its relations of power. Whether by anguish, accident, or desire, they resist falling in line with that power. The story told within this comprehensive, thought-provoking text is a sociological one. Pfohl employs a social-historical perspective to describe and analyze the theory, methods, and control policies associated with nine major ways of conceiving deviant behavior. He analyzes each of the nine perspectives with three objectives: to describe the basic theoretical imagery, research strategies, and social control policies associated with the perspective; to locate the perspective within a general sociohistorical framework; and to develop a sense of critical evaluative thinking regarding the perspective's strengths and weaknesses. The theoretical perspectives examined span a wide variety of religious, legal, medical, psychological, social, economic, and political concerns. Throughout, attention is drawn to the ways that both images of deviance and strategies of social control are shaped by powerful social forces located at the historical intersections of gender, race, and class. In addition, references to literature, film, music, and painting are integrated to show parallels between images of deviance produced by scientists and those produced by artists.

Editorial Review

From the Back Cover

“This is a classic book that I have been using for years. Thank you for reissuing it. You have done a great service to the subfield of deviance.” — A. Javier Trevino, *Wheaton College*

“It is the only work I have found that integrates religious, psychological, and law enforcement interests with those of sociology. It also makes major use of the critical (including the postmodernist) perspective in its analysis. Your pricing is an important improvement as well.” — James Truitner, *City College of San Francisco*

“Awesome book. The frameworks as described by Pfohl are of great use to students in applying theories to contemporary contexts.” — Leslie Elrod, *University of Cincinnati*

“I cannot say enough about this text and have been using it since it was first published. It is well-written, clear, scholarly, focussed, and well priced.” — Arthur Ferrari, *Connecticut College*

Users Review

From reader reviews:

Alvin Pryor:

As people who live in the actual modest era should be revise about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This Images of Deviance and Social Control: A Sociological History is our recommendation to make you keep up with the world. Why, as this book serves what you want and need in this era.

Raymond Harris:

Nowadays reading books become more and more than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The data you get based on what kind of book you read, if you want have more knowledge just go with training books but if you want feel happy read one together with theme for entertaining including comic or novel. The particular Images of Deviance and Social Control: A Sociological History is kind of reserve which is giving the reader unstable experience.

Lynette Petree:

Reading a book can be one of a lot of action that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new information. When you read a reserve you will get new information simply because book is one of numerous ways to share the information or maybe their idea. Second, looking at a book will make you more imaginative. When you looking at a book especially fictional works book the author will bring you to imagine the story how the figures do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Images of Deviance and Social Control: A Sociological

History, it is possible to tell your family, friends along with soon about your guide. Your knowledge can inspire the mediocre, make them reading a guide.

William Jones:

Beside this particular *Images of Deviance and Social Control: A Sociological History* in your phone, it could possibly give you a way to get closer to the new knowledge or data. The information and the knowledge you might get here is fresh from oven so don't be worry if you feel like an older people live in narrow town. It is good thing to have *Images of Deviance and Social Control: A Sociological History* because this book offers to you readable information. Do you sometimes have book but you rarely get what it's facts concerning. Oh come on, that will not happen if you have this with your hand. The Enjoyable blend here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss the item? Find this book along with read it from currently!
