About the Author

Lindsay Porter has written more than 50 how-to books and well over 1000 practical articles for magazines on motoring, caravanning and other subjects. His first piece of professional writing was in 1979, for DIY (Do It Yourself) Magazine, explaining how he and wife Shan built and extended their own country cottage - the cottage they still live in today. Even then, their house was designed (by Lindsay) and built to the highest standards of insulation and sustainability.
