The 1967 Arab-Israeli War: Origins and Consequences (Cambridge Middle East Studies) From Brand: Cambridge University Press

The June 1967 war was a watershed in the history of the modern Middle East. In six days, the Israelis defeated the Arab armies of Egypt, Syria, and Jordan and seized large portions of territory including the West Bank, East Jerusalem, the Gaza Strip, the Sinai Peninsula, and the Golan Heights. With the hindsight of four decades and access to recently declassified documents, two veteran scholars of the Middle East bring together some of the most knowledgeable experts in their fields to reassess the origins of the war and its regional reverberations. Each chapter takes a different perspective from the vantage point of a different participant, those that actually took part in the war, and also the world powers - the United States, Soviet Union, Britain, and France - that played important roles behind the scenes. Their conclusions make for sober reading. At the heart of the story was the incompetence of the Egyptian high command under the leadership of Nasser and the rivalry between various Arab players who were deeply suspicious of each other's motives. Israel, on the other side, gained a resounding victory for which, despite previous assessments to the contrary, there was no master plan.

Users Review

From reader reviews:

Cameron Keller:

People live in this new moment of lifestyle always try to and must have the time or they will get lots of stress from both lifestyle and work. So , whenever we ask do people have extra time, we will say absolutely without a doubt. People is human not really a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to you of course your answer can unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative with spending your spare time, the actual book you have read is usually *The 1967 Arab-Israeli War: Origins and Consequences* (Cambridge Middle East Studies).

Odessa Currie:

Your reading 6th sense will not betray anyone, why because this *The 1967 Arab-Israeli War: Origins and Consequences* (Cambridge Middle East Studies) publication written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your own personal hunger then you still hesitation *The 1967 Arab-Israeli War: Origins and Consequences* (Cambridge Middle East Studies) as good book not only by the cover but also by the content. This is one e-book that can break don't determine book by its handle, so do you still needing one more sixth sense to pick this particular!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.

Ryan Young:

Is it you who having spare time and then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This *The 1967 Arab-Israeli War: Origins and*

Consequences (Cambridge Middle East Studies) can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these publications have than the others?

Lynn Groff:

That guide can make you to feel relax. This particular book The 1967 Arab-Israeli War: Origins and Consequences (Cambridge Middle East Studies) was colourful and of course has pictures on the website. As we know that book The 1967 Arab-Israeli War: Origins and Consequences (Cambridge Middle East Studies) has many kinds or category. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and believe that you are the character on there. So , not at all of book usually are make you bored, any it offers up you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading this.
