### Treasure Island (A Stepping Stone Book(TM)) By Lisa Norby

Masterfully crafted, **Treasure Island** is a stunning yarn of piracy on the fiery tropic seas—an unforgettable tale of treachery that embroils a host of legendary swashbucklers from honest young Jim Hawkins to sinister, two-timing Israel Hands to evil incarnate, blind Pew. But above all, **Treasure Island** is a complex study of good and evil, as embodied by that hero-villain, Long John Silver; the merry unscrupulous buccaneer-rogue whose greedy lust for gold cannot help but win the heart of every one who ever longed for romance, treasure, and adventure.

Since its publication in 1883, **Treasure Island** has provided an enduring literary model for such eminent writers as Anthony Hope, Graham Greene, and Jorge Luis Borges. As David Daiches wrote: “Robert Louis Stevenson transformed the Victorian boys’ adventure into a classic of its kind.”

*From the Paperback edition.*
