**Wide Awake: Thinking, Reading, and Writing Critically** By Sara Hosey, Fran O'Connor

*Wake Up to the world around you.*

*Wide Awake: Thinking, Reading, and Writing Critically with MyWritingLab* asks students to develop awareness of the world around them and to determine how they will participate in that world. Readings invite students to challenge accepted notions about key topics, pose complex questions about the world around them, reflect on their own experiences, and apply ideas they are learning to their everyday lives. Deliberateness and choice are emphasized in the writing processes.

Teaching and Learning Experience

This program will provide a better teaching and learning experience for you and your students.

- Robust resources improve student writing and help instructors track results. MyWritingLab helps students measure how well they understand key concepts and faculty incorporate rubrics into assignments and analyze class performance.
- Instructional support helps students develop their own writing process. Eight short chapters on the writing process provide students with just enough advice without burdening them with long narratives of detail.
- Readings provide models for writing, material for response, and topics for research.
